

Janssen SuomiAreenalla: Mitä korona aiheuttaa mielenterveydelle?

Janssenin kesän 2021 SuomiAreenatilaisuudessa puhuttiin siitä, että masennus on ollut kansansairaus Suomessa jo vuosia. Koronan aikaan hoitoon pääsy on voinut viivästyä ja masennuksen oireet pahentua. Kun arki normalisoituu, kuormitusta voi nousta esille ja on varauduttava masennuksen lisääntymiseen. Toisaalta osa ihmisistä kokee tilanteen jopa parantuneen. Mielenterveyden asiantuntijat, potilasjärjestö ja läheiset pohtivat Masennuskoalition tilaisuudessa, miten korona on vaikuttanut masennukseen ja mitä seurauksia hoitoon pääsyn viiveet ovat aiheuttaneet. [Katso SuomiAreena-video täältä.](#)

About Johnson & Johnson

At Johnson & Johnson, we believe good health is the foundation of vibrant lives, thriving communities and forward progress. That's why for more than 130 years, we have aimed to keep people well at every age and every stage of life. Today, as the world's largest and most broadly-based healthcare company, we are committed to using our reach and size for good. We strive to improve access and affordability, create healthier communities, and put a healthy mind, body and environment within reach of everyone, everywhere. We are blending our heart, science and ingenuity to profoundly change the trajectory of health for humanity. Learn more at <https://www.janssen.com/emea/>. Follow us at @JanssenEMEA.

About the Janssen Pharmaceutical Companies of Johnson & Johnson

At Janssen, we're creating a future where disease is a thing of the past. We're the Pharmaceutical Companies of Johnson & Johnson, working tirelessly to make that future a reality for patients everywhere by fighting sickness with science, improving access with ingenuity, and healing hopelessness with heart. We focus on areas of medicine where we can make the biggest difference: Cardiovascular & Metabolism, Immunology, Infectious Diseases & Vaccines, Neuroscience, Oncology, and Pulmonary Hypertension.
