

Local Community Giving Focus Areas

Preferential Focus on the Underserved

Overarching Support for Programs that Helps to Achieve Health Equity

Our local giving is focused on the following communities:

- CA: La Jolla, San Francisco
- NJ: Hunterdon, Mercer, and Somerset Counties
- PA: Bucks, Chester, Montgomery and Philadelphia Counties

Nonprofits working in areas outside these regions are ineligible for local community giving. Please check the [Therapeutic Area Contributions](#) section of our website for possible eligibility there.

Healthcare

Access, disease prevention & management for the underserved. Preference for disease states listed below and in the [Therapeutic Area Contributions](#) section of our website:
