

Request for Proposals: Janssen Biotech, Inc.

Funding is available to support virtual and enduring activities for certified education in the mantle cell lymphoma disease state.

Grant Application Deadline: November 6, 2020

- Therapeutic Area:** Mantle cell lymphoma
- Treatment Focus:**
- Disease state education – diagnosis, risk stratification, molecular biomarkers, and targeted therapy
 - Updates on current therapies, treatment paradigms, and ongoing clinical trials
 - Evaluation and management of adverse events
- Delivery Format:** Virtual educational programs or meetings series with an enduring component
- Target Audience:** Hematologists, oncologists, nurses, pharmacists and other health care professionals who treat patients with hematologic malignancies
- Timelines:** Program Start Date: By or before Q1 2021
- Funding Requirements:** Multi-support requests
- Applicant Eligibility Criteria:** CME/CE applicants must fall into one of the following categories:
Academic Institution (eg, schools of medicine, pharmacy or nursing)
Hospitals
Medical Societies
Professional Associations
Government Agencies
Medical education companies (accredited)
- Submission Link:** Submissions to Janssen Oncology can be completed online at:
<https://www.janssen.com/us/grants-and-giving>
- Special Note:** Due to the ongoing COVID-19 pandemic, it is encouraged that proposals be virtual programs, and proposals for 2021 that may have a live-audience component include contingency plans for virtual delivery.
